Dear Parent/Carer

### **EASTER SCHOOL 2020**

This year the school will offer a range of revision classes during the Easter holidays. The classes offered are of course dependent on the availability of staff during the holiday period. Attached is the Easter School Programme for Session 2019/2020.

Attendance at Easter School is optional for pupils. The purpose of Easter School is to spend an intensive day revising for the SQA Examinations. Teaching new concepts will not occur, so pupils who do not attend will not be disadvantaged. However, the time spent revising with teaching staff is invaluable preparation for the forthcoming examinations.

Easter School will run on the days indicated and at the times given. Pupils should bring a packed lunch, as no dinner hall facilities will be available. The teacher, in consultation with those pupils attending, will give appropriate breaks as required. There will be no transport available due to it being a school holiday so parents/guardians will be responsible for arranging suitable transport if required.

Pupils will be asked to indicate before the Easter School sessions whether they plan to attend, and a register will be kept on each day.

If you have any questions, please contact me.

Yours sincerely

*J Frew*
