Dear Parent/Carer

I hope this letter finds you and your family safe and well at this time.

As you will be aware, Scottish Government have now published their COVID-19 Route Map, as well as their strategic framework for the re-opening of schools. I am certain you will be keen to know what this will look like for your child.

At this point I await further advice from South Ayrshire Council. As soon as this is received, I will update you with our plans. Any action that we take will be based on instruction from Scottish Government.

I thank you for your ongoing support and supporting your child through this time of learning at home.

In the meantime, I have attached collated information from departments to help young people continue to plan their learning.

Should you have any questions please contact us by phone or email.

Yours faithfully

A handwritten signature in black ink that reads "Elaine Harrigan".
